

Technical description

Dimensional sketch: IWD 2211-2311/LAB

Height measurements taken from the floor may vary as a result of the adjustment +20/-0

Total dimension of 2-door machine when open is = 1729.5 mm

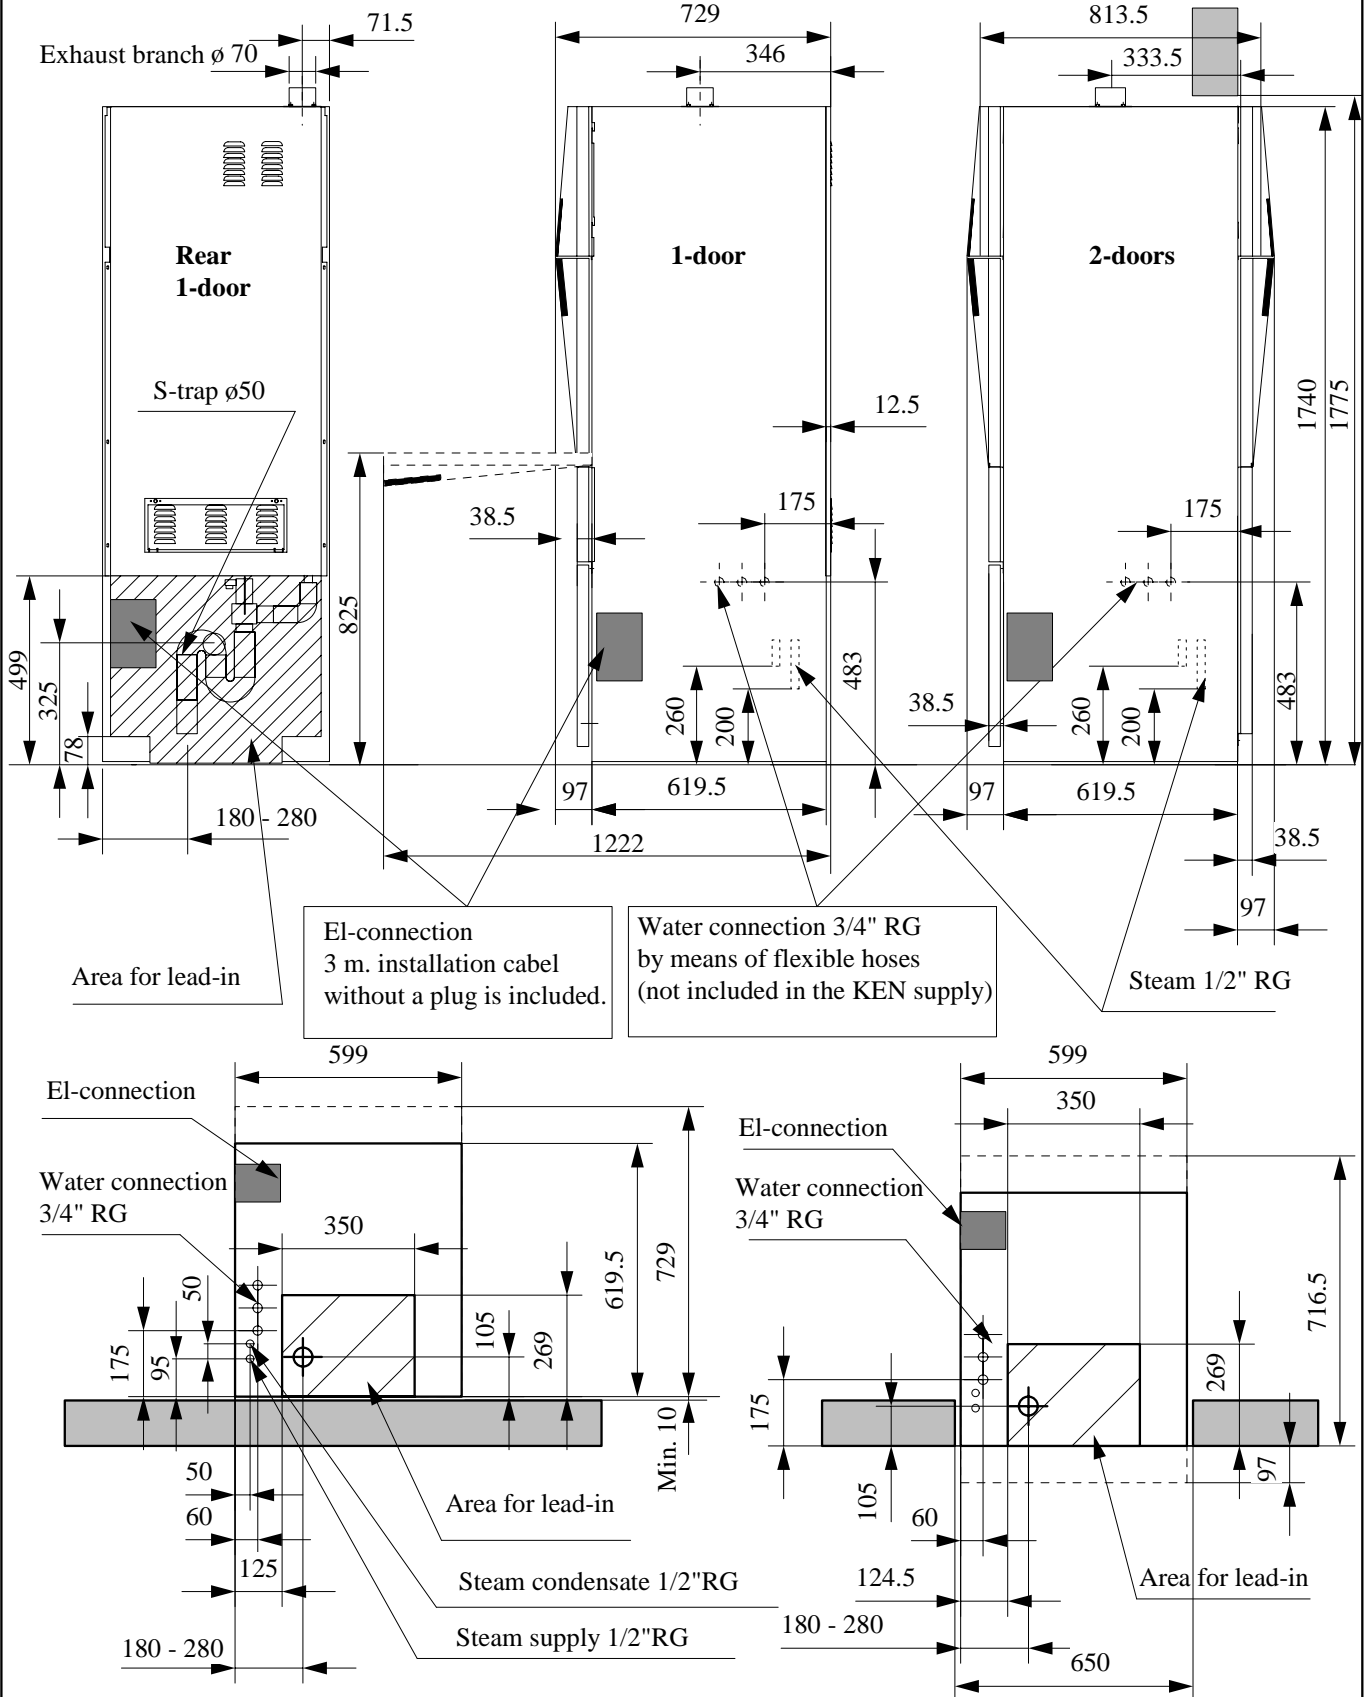

Technical description

Dimensional sketch: IWD 2314

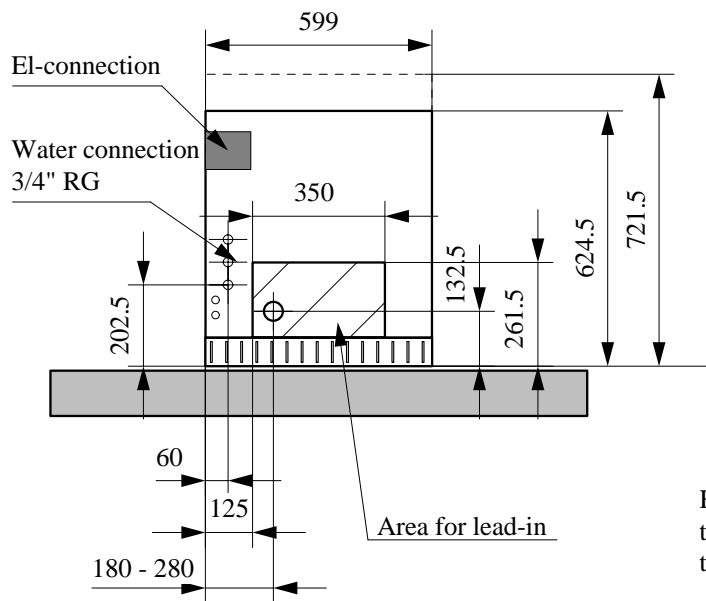

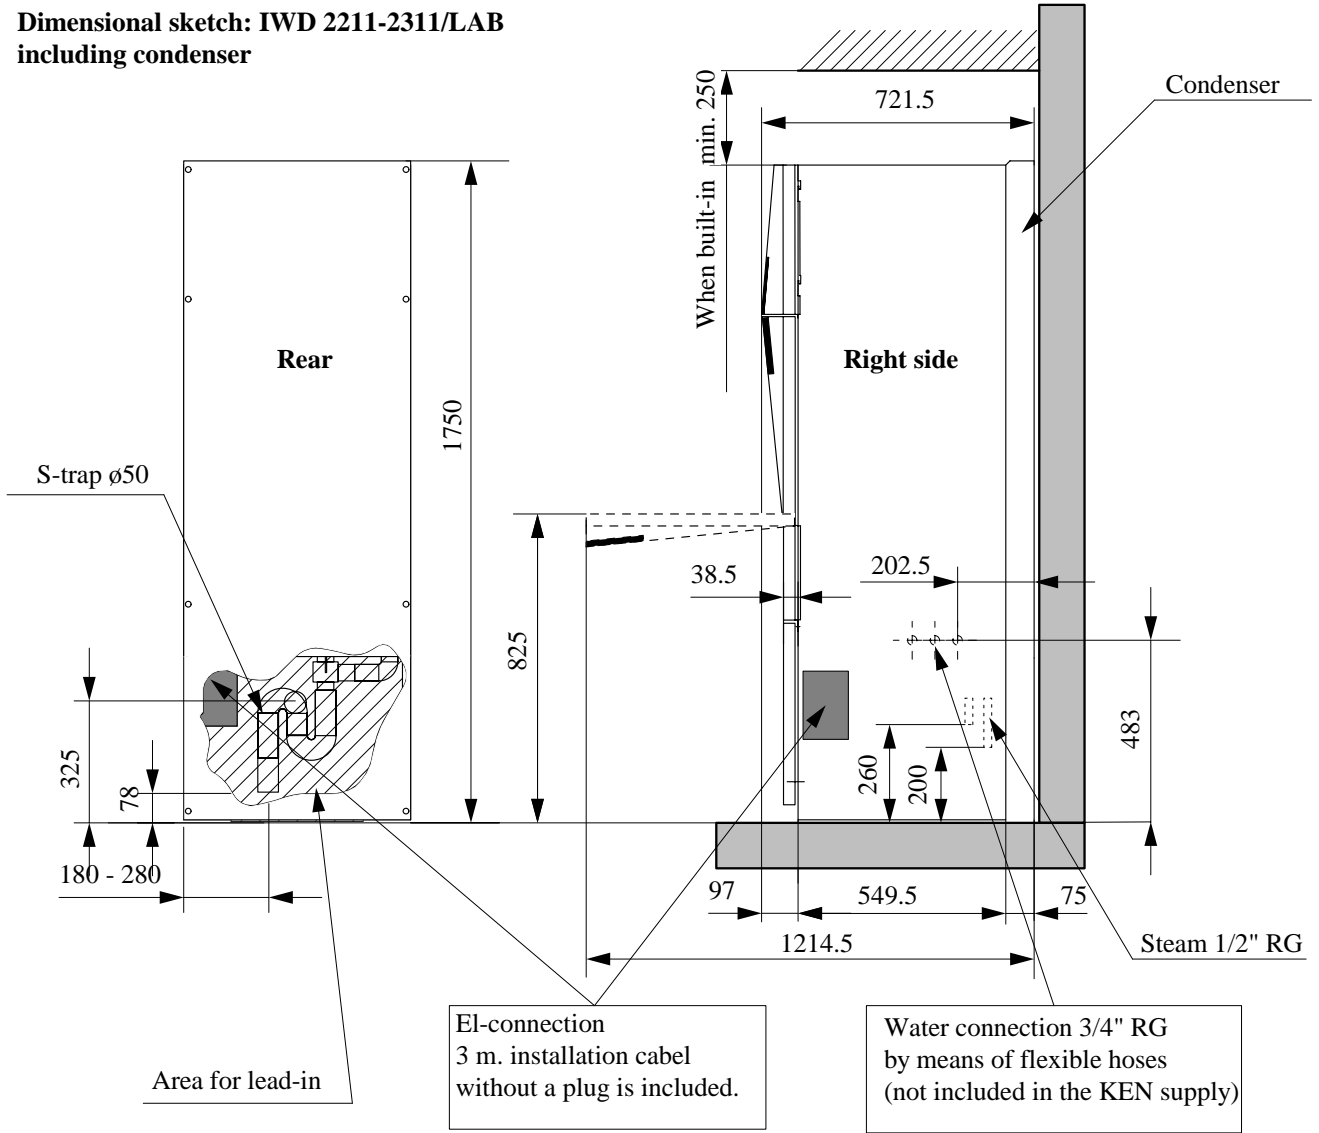

Height measurements taken from the floor may vary as a result of the adjustment +20/-0

Total dimension of 2-door machine when open is = 1799.5 mm

Technical description

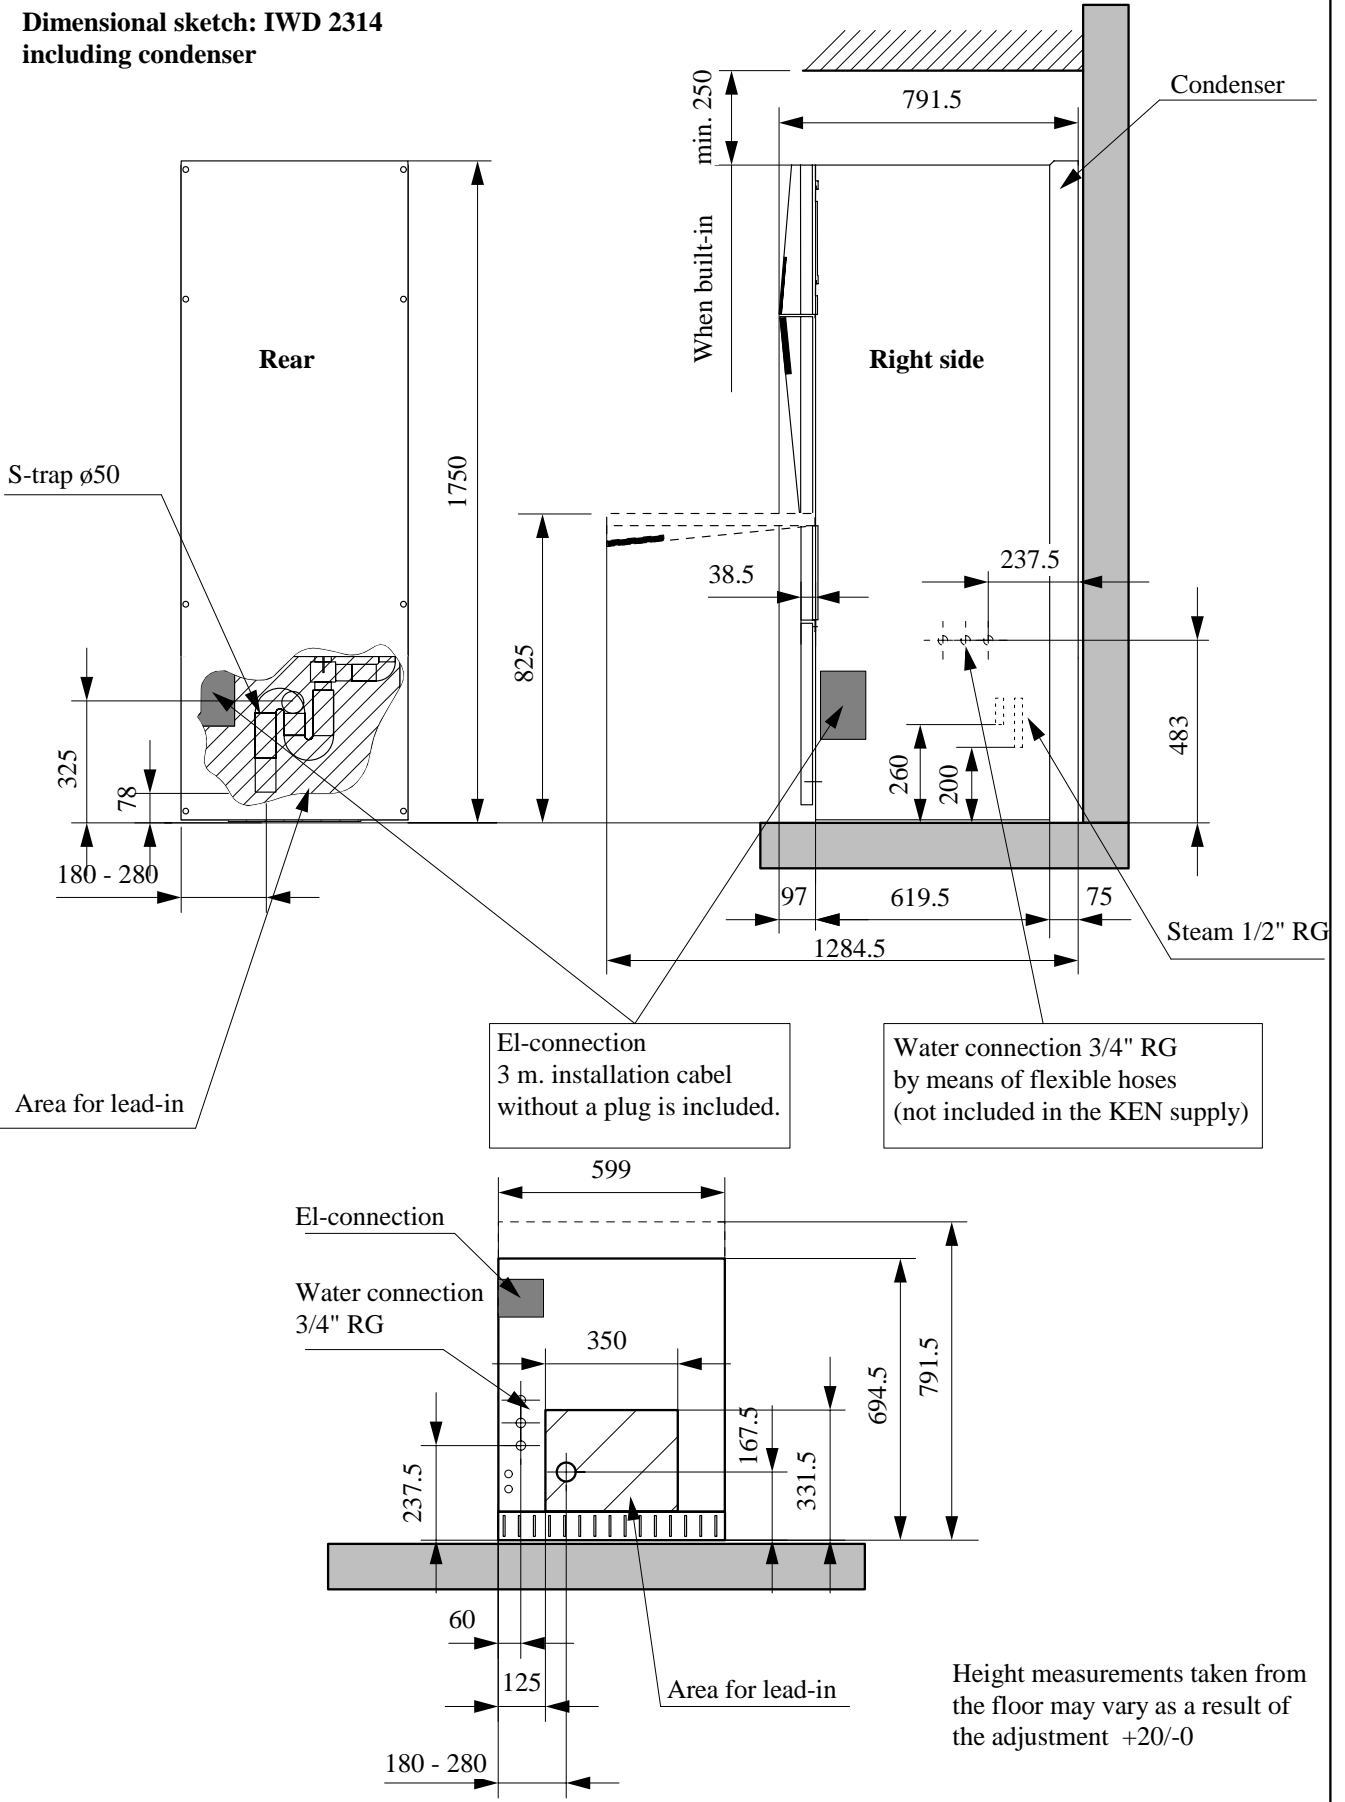

Dimensional sketch: IWD 2211-2311/LAB including condenser

Height measurements taken from the floor may vary as a result of the adjustment +20/-0

Technical description

Dimensional sketch: IWD 2314 including condenser

El-connection
3 m. installation cabel
without a plug is included.

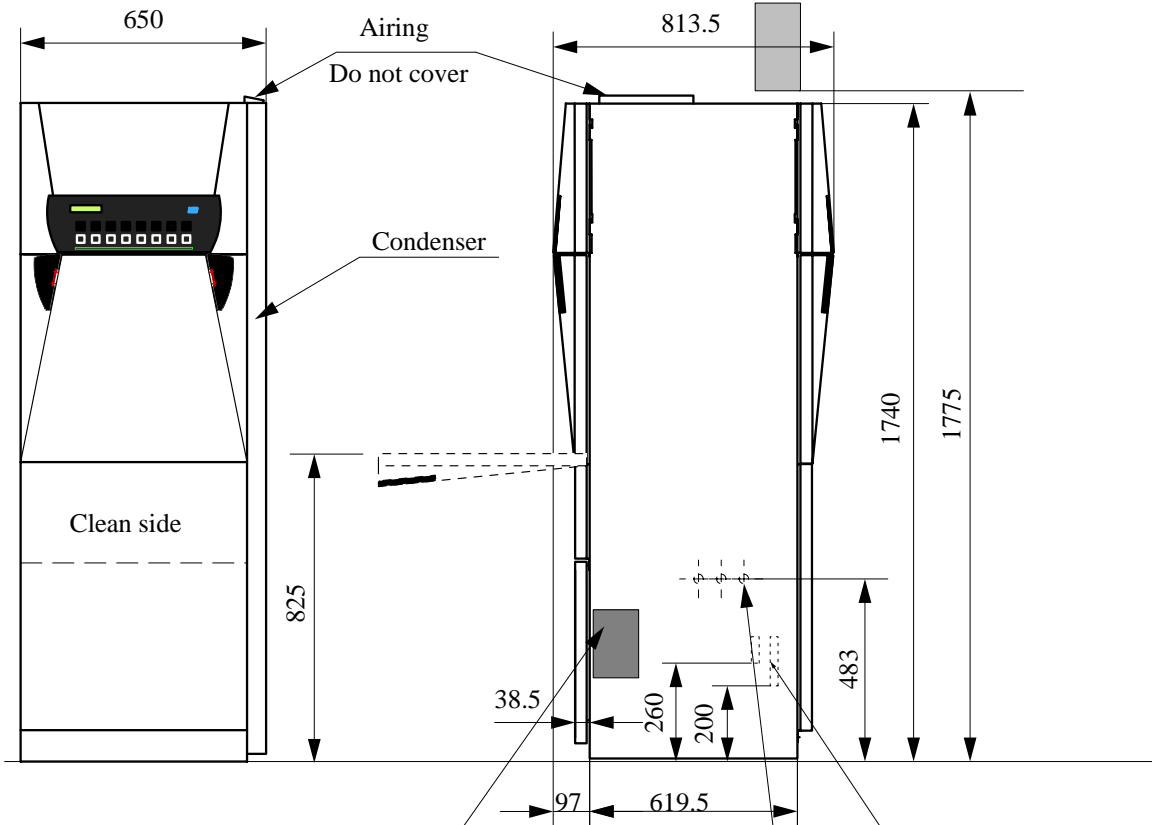

Water connection 3/4" RG
by means of flexible hoses
(not included in the KEN supply)

Height measurements taken from the floor may vary as a result of the adjustment +20/-0

Technical description

Dimensional sketch: IWD 2314 2-doors, with condenser on the side.

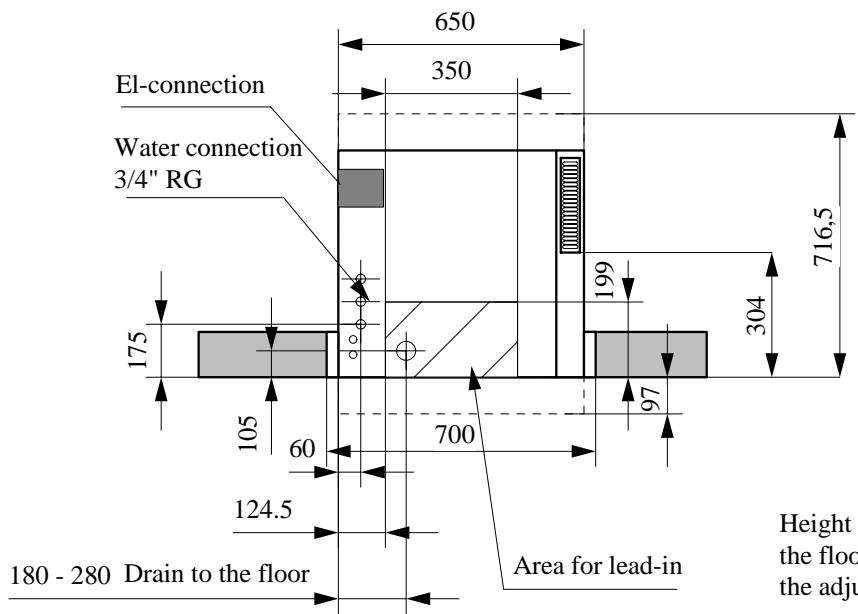

Total dimension of 2-door machine when open is = 1799.5 mm

El-connection
3 m. installation cabel
without a plug is included.
